NEW TALENT STARS AT SPRING HAPPENING

lene Beck and Veston Thomas are on their Spring Thing-Feeling Groovy. The will be presented Friday in the Smith Fieldhouse at 8 p.m. Tickets for the event are on sale daily in the Reception Center. All seating for the event is reserved. Photo by Pat Chetlain

'Spring Thing' Hits Campus Friday

Spring is in and the thing is "Spring Thing-Feeling Groovy," to be held Friday at 8 p.m.

Sponsored by the ASBYU Social Office, Spring Thing is a new event to the social calendar. The program will spotlight all new talent and entertainers who have not had an opportunity to perform before BYU audiences.

Most importantly, tickets for the event are free with an activity card. One can pick up two tickets with each activity card.

Tickets are available today through Friday from 10 a.m. to 4 p.m. at a table in the Reception Center, Wilkinson Center.

Tickets may also be picked up from 4 p.m. the same days at the main desk in the Wilkinson Center.

All seating will be reserved for the Smith Fieldhouse talent show. Dress is casual and springy.

Attendance is definitely stag.

Variety is the key to the entertainment that is scheduled. Along with the musical numbers will be such acts as a ventriloquist and comedy routines.

Steve Bos, in charge of auditions, has stated that even though the talent has not appeared often or at all at BYU, the quality is still excellent.

"We have the winners of the Freshman Talent show and many other fine performers," he said. "Shelby Seem, who has done a lot of professional staging, is setting up our program, and it should look quite professional."

Awards will be given to the winners," announced Jim Chaplin, Social vice president, "and we hope to have a unique program for not only the students but all people in the BYU area to attend."

Vaulting Vicar' Forum Slates Bob Richards

Bob Richards, nicknamed "Vaulting Vicar" for his stunts in the pole vault, featured at BYU's forum Thursday.

Rev. Mr. Richards, who is the second man in history to vault 15 feet, will speak at 10 p.m. in the Smith Fieldhouse. He will address BYU's Salt Lake 8 p.m. that evening in the Smith Fieldhouse.

An ordained minister in the Brethren Church, he is also a member of the President's Physical Fitness Citizens' Advisory Committee for American Youth and is an active sportscaster.

Possessing a "burning desire to excel," he vaulted 6'9" at age 12 and kept it up, practicing in back of his house with a crossbar hooked up between a tree and a telephone pole. In the Millrose games in 1951, he broke the 15-foot barrier and did it seven more times that year.

He won gold medals in the pole vault in the 1952 and 1956 Olympics, and also won a gold medal in the decathlon, which is considered to be the most grueling amateur event in the sports world. As a pole-vaulter he gained his

greatest height at the Millrose games in New York in 1956, clearing the bar at 15'6", a remarkable vault in the pre-fiber glass era.

In 1951 he was named by the Amateur Athletic Union as "the athlete who by performance, example, and good influence as an amateur did most to influence the cause of good sportsmanship." He was elected to the Helms Hall of Fame in 1955.

Pursuing a ministerial career, the Rev. Mr. Richards enrolled at the Brethren-affiliated Bridgewater College in Virginia, and in 1946 was ordained a minister of the Church. He later received the A.B. and M.A. degrees of the University of Illinois. He also is a well-known radio and television personality.

Candidates Meeting Set

Elections Committee met today. It is vital that all candidates for student body offices attend the Water Nomination today. The meeting is at 115 Jesse Hall.

candidate, someone nominate him and a second the nomination should attend. The meeting at this meeting on the primary final questions of the nomination will also be at the meeting.

candidate cannot person, someone him must be in ce.

War Hero Visits Today

Brig. Gen. Don R. Hickman, hero of World War II, the Korean War and the Vietnam War, will visit BYU today for a lecture and reception.

He is a member of the Church of Jesus Christ of Latter-day Saints.

Gen. Hickman will present a slide lecture on Vietnam from 2 to 3 p.m. in the Varsity Theater of the Wilkinson Center for the 314 Army ROTC cadets at BYU

and the public. From 3 to 4 p.m. he will tour the campus, and from 4 to 5 p.m. an open house reception will be held in his honor in the ROTC Bldg.

The Distinguished Service Medal—the Army's highest award for meritorious service—was presented to Gen. Hickman on his departure from Vietnam April 1. The general, whose family lives in Salt Lake City, received the award for 18 months of continuous service there.

Dr. Allen's Appointment As 'Y' Dean Announced

Dr. A. Lester Allen has been appointed dean of the College of Biological and Agricultural Sciences at BYU President Ernest L. Wilkinson announced today.

The appointment is effective immediately. Dr. Allen, professor of zoology, was chairman of the Dept. of Zoology and Entomology from 1965 to 1968, and has served as acting dean of the college since September when Dr. Ruder H. Walker retired from the position to take over chairmanship of the Dept. of Agronomy and Horticulture.

Dr. Walker, who had served as dean at BYU since 1960, was formerly dean of agriculture and director of the Experiment Station at Utah State University and directed cooperative agricultural programs for the Dept. of Agriculture in 35 nations.

Under his charge will be the Division of Agricultural Sciences (made up of the Depts. of Agricultural Economics, Agronomy and Horticulture, and Animal Science) and the Division of Biological Sciences (made up of the Depts. of Microbiology, Botany, and Zoology and Entomology).

Dr. Allen has been actively involved in the planning of the new Life Sciences Center now under construction on BYU campus. It will include a three-story classroom building to be completed by next autumn

semester and a nine-story laboratory building to be completed a year later. The laboratory wing will include two stories below ground level.

Dr. Allen, who joined the BYU faculty in 1954, received the B.A. degree in 1946 and the Ph.D. degree in 1951, both at University of California at Los Angeles. He has done post-doctoral work at UCLA in immunology.

He was a teaching assistant at UCLA, served as a consultant for the Atomic Energy Commission in 1950 and was an instructor at Orange Coast College, Costa Mesa, Calif., 1951-1954.

DISCUSSING FUTURE PLANS

... for the Vietnam Task Force at BYU are Shirley Wilson, Brent Smith and Brian Walton, chairman of the group.

Force Goes To Public

BYU's International Task Force, a program to provide unbiased information on the Vietnamese War, is now scheduling presentations with high schools and civic groups in the intermountain area.

Task Force, chaired by Brian Walton, is composed of ten political science and international relations majors, Asian studies specialists and geographers and an artillery officer.

The students, who split the problem of Vietnam into different areas for their research in

compiling the presentation, receive three credit hours from International Relations 499 for their work.

According to Chairman Brian Walton, the task force idea was first originated by Dr. Marshall Windmiller, San Francisco State University, as a plan to "disseminate information on a given problem in international relations."

"You aim to give the maximum amount of information in a minimum of time with a minimum of political bias," Walton said.

NBA Draft Continues; Bucks Sign Acindor

The Milwaukee Bucks went through the formality Monday of selecting Lew Alcindor as the first choice in the National Basketball Association player draft.

Acindor had already signed a five-year, \$1 million contract with the Bucks last week.

Losers of the coin toss for Alcindor, the Phoenix Suns, chose 6-foot-10 Neal Walk of Florida. The big center was fourth in the nation in rebounding during the past season and averaged 24 points per game.

Third choice in the draft was former UCLA Bruin Lucius Allen who went to the Seattle SuperSonics, Allen, a 6-2 guard, was a second team All America

selection in 1968 before he left UCLA due to academic problems. He played AAU ball this past winter.

The only other player from the West chosen in the first round was Bud Ogden of Santa Clara picked by Philadelphia.

Two performers seen in this area were the first and third choices in the second round. Simmie Hill of West Texas State went to the Chicago Bulls and 7-foot Ron Taylor of Southern California was chosen by Seattle. Creighton and LaSalle were the schools other than UCLA to place more than one player among the first 30 chosen. Picked from Creighton were Bob Portman and Willie Anderson and from second-ranked LaSalle, Larry Cannon and Bernie Williams.

Tigers Win Lid-Lifter On Homer

DETROIT (AP) — Denny McLain, a questionable starter, held Cleveland to three hits and Al Kaline blasted a two-run home run to pace the defending world champion Detroit Tigers to a 6-2 opening day victory Tuesday over the Indians.

McLain, who was treated by a doctor Monday for an inflamed right shoulder, gave up a home run to Larry Brown in the first inning and a lone run in the second, then settled down and blanked the Indians the rest of the way.

Norm Cash's two-run double in the third off Cleveland starter Luis Tiant tied the game and 17-year veteran Kaline homered with Dick McAuliffe on base in the fifth.

McLain, who had a 31-6 record last year, singled home an insurance run in the sixth and Don Wert walked with the bases loaded to send another run home in the seventh.

A record opening day crowd of 35,572 was on hand as McLain took the victory and Tiant the loss.

Track Meet Set...

ASU, Utah Invade Saturday

Three track and field teams from the Western Athletic Conference, all of whom have met before, will be pitted in a triangular meet Saturday afternoon in Provo.

Visiting squads from Arizona State and Utah will challenge a strong BYU team on the Cougars' oval beginning at 1:30 p.m. As defending champions in the WAC, the Cougars will be favored by a comfortable margin.

Even though BYU will be favored, it won't be a cakewalk for Coach Clarence Robison's crew. The Sun Devils from Tempe have put together one of their strongest teams in recent years, and Utah continues to extend its power over previous seasons.

The Cougars were back on campus Monday after a tour into the southern half of the conference. BYU split in a pair of dual meets, winning 77-68 over New Mexico in Albuquerque while losing to a strong UTEP collection of stars at El Paso, 70-74.

Saturday afternoon's meet in El Paso was very close and was decided in the final event, the mile-relay. The Miners' breasted the tape ahead of the Cougars to claim the five points that put them ahead and clinch the meet.

BYU was without the services of Stan Bergeson who missed the meet because of a bad bronchial condition. As it turned out, the Miners swept the 880 and gained valuable points.

If Stan recovers for Saturday's meet, he will probably be moved to the mile, and his brother, Steve, will be back in the 880 event. Fortunately for the Cougars, the two are interchangeable in the half mile and mile.

Even though they were disappointed by the outcome of the meet in El Paso, the Cougars managed to come up with some surprisingly good performances in certain events.

One of the outstanding events for BYU was the long jump where three Cougars jumped 25 feet or better to sweep all the points. NCAA champion Pertti Pouri led the group with a 25-11½ jump, followed by Jim Blaisdell who went 25-2 and Kari Palmen, 25-14.

HARD HITTING OUTFIELDER

Larry Romney who returned to the Cougar lineup cracked six home runs to lead the Cougars to second place in the Inside Classic.

Cougars Whip Marines; Utah On Tap Next

By Bob Oakley
Universe Sportswriter
Cougars ended their long road trip by sweeping odds of a doubleheader on Friday, from the San Diego team. The Marines were 6 winners over the

University of Utah but found BYU tougher.
The hard hitting Cougars brought their record on the trip to 6-2.

The first game found the Cats jumping ahead early to give Ken Crosby the win. Dennis DuNann finished up in relief of Crosby. The first game ended with the score 6-4.

In the back end of the twin bill, the Cougars behind the pitching of Brad Meyring and Mike McKay, again jumped off to a very lead and held it to win 7-5.

Doug Howard continued to make war on the horseshoe and got four hits in seven attempts to hike his already more than healthy batting average. Rich Fairbanks also collected a few hits to help the cause.

Home runs by Tom Tikker, Mike Knop and Mike Folster helped keep the Cougars ahead of the Marines.

The Cougars open the WAC conference on Friday with a single game against Utah in Provo. On Saturday the team journeys to Derks Field in Salt Lake for a doubleheader against Utah. In one of the series BYU will face Jim Hardy, a strong lefthander who Coach Tuckett has not been able to beat in the past two years.

University Chorale Sets Concert

The BYU University Chorale
will present a spring concert
Friday at 8:15 p.m.

Conducted by Professor Brandt
Curtis, while regular conductor
Kurt Weinzierl is teaching on a
semester abroad in Salzburg, the
165-member chorale has prepared
an interesting program featuring
composers from from J.S. Bach to
Crawford Gato.

The largest choral organization
on campus, the University Chorale
is a non-audition organization
with members from all majors in
the university.

Professor Curtis is director of
BYU's Opera Workshop and is
well-experienced with singing
groups. He will be assisted in
directing Friday evening by
graduate assistant Clayne
Robison.

GUESTS

Special guests of the University
Chorale will be eight BYU cellists
and soprano soloist Clare
Johnson. Directed by Percy Kalt,
these eight cellists, who all are or
have been members of the BYU

Symphonic Orchestra, will
perform "Bachianas Brasileiras
No. 5" by Hector Villa-Lobos.

This contemporary Brazilian
composer wrote "Bachianas
Brasileiras," a series of nine suites,
in homage to the great genius of
J.S. Bach. The harmonies and
counterpoint are highly
reminiscent of the Baroque
composer while the melodies are

in the style of Brazilian folk
tunes.

Another highlight of the
University Chorale program will
be the performance of the
winning composition of the
University Chorale Composition
Contest conducted last fall. Clay
Christiansen's "Lord We Thank
Thee for the Gospel" was selected
as the best composition.

A Music At Midday Program Highlights Today's Noon-Hour

Are your post-Easter lunches
lagging?

Try spending the noon-hour
with music. Music at Midday, that
is, at 12 noon today in the
Madsen Recital Hall. This week's
program will be highlighted by
two harp duets.

Jan Clark and Pat Mallory will
perform Bach's "My Heart Ever
Faithful" arranged for harp by
their instructor, Louise Pratt.
Students of Louise Pratt, Kerry

Lynn Cameron and Sherrie Farr
will play "Players" by Gransdos,
also arranged by Louise Pratt.

Mary Shearer and Karen
Thornton will each perform a
piano sonata and Ruth Hay will
play a piano intermezzo by
Brahms. The program is
completed with two vocalists,
Shauna Cornelius, a soprano
accompanied by Jeannie Peterson
and singing a Schumann and a
Mozart selection.

Rockets Fired

SAIGON (AP)—Viet Cong sauners fired five 122mm rockets into Saigon's northern suburbs Tuesday night in the seventh shelling of the capital since the enemy offensive was launched Feb. 23.

At least four persons were wounded in residential sections about two miles north of the downtown area.

One rocket exploded near the Vong Loi Bridge across the Saigon River, wounding a Vietnamese ranger on sentry duty. The bridge was undamaged.

Others fell near homes, but South Vietnamese police said the rockets did not hit any buildings. An army major, his wife and child were injured by broken glass when a rocket exploded outside their home in Gia Dinh, a northern suburb.

The remaining rockets fell in two hamlets, Dong Nhut and Dong Nhi, on opposite sides of the river near Vong Loi.

While Saigon is believed to be a major target of the enemy offensive, a U.S. spokesman said what threat it had eased at least for the moment.

Violence Again

New violence burst forth on two fronts in the Middle East Tuesday as the Big Four met in New York in quest of a peace formula. Jordan's King Hussein conferred in Washington with President Nixon and described the

situation at an explosive and loaded with danger.

The latest outbreak occurred with rocket and air attacks on civilian targets at the head of the Gulf of Aqaba and a fierce new artillery and tank battle across the Suez Canal.

The Israelis charged the Arabs rained rockets from the Jordanian port of Aqaba on the nearby Israeli port of Elath. In reprisal Israeli jets struck at the Arab port.

At Fatah, the Arab commando outfit, accused Israel of sending its planes over first and said Arab troops shelled in retaliation.

Shortly afterward, a large-scale battle erupted between Israeli and Egyptian forces entrenched along the Suez Canal from El Qantara in the north to Port Suez in the south.

Situation Serious

PRAGUE (AP)—Czechoslovakia's Communist party leadership declared Tuesday that "the political situation in the country continues to be very serious."

The wording of the communique from the 21-member Presidium suggested the Soviet Union was dissatisfied with measures so far announced by the party to take for anti-Russian riots March 28-29.

"The basic sources of tension, continuation of anti-Soviet and anti-Soviet tendencies, have not been removed," the communique said.

A meeting of the party's

190-member Central Committee will be convened April 17 "to discuss the present political situation," the Presidium announced.

With First Secretary Alexander Dubcek presiding, the Presidium approved "some political organization measures to strengthen the leading role of the party in the mass means of communication and to increase discipline in the party."

Census Planned

WASHINGTON (AP)—Despite congressional criticism and citizens' complaints about invasion of privacy, the federal government has gone ahead with plans for next year's population count on the assumption that all answers will be mandatory.

The Census Bureau, apparently with the approval of the White House, has given the Government Printing Office the go-ahead for plans producing the 150 million forms that will be filled out by each household next year.

Patient Dies

HOUSTON, Tex. (AP)—Haskell Karp, who lived 65 hours with a complete artificial heart before receiving a human transplant, died Tuesday.

A spokesman at St. Luke's Episcopal Hospital said Karp died at 3:20 p.m. following a cardiac arrest.

It is suspected that the patient suffered rejection complicated by pneumonia and kidney failure.

Sirhan Trial Completed

LOS ANGELES (AP)—The state reached the end of a long legal journey Tuesday, winding up presentation of testimony intended to convict Sirhan of first-degree murder in the assassination of Sen. Robert F. Kennedy. The defense also rested its case.

An opening summation by the prosecution was the next order of business for a jury of seven men and five women who listened to seven weeks of testimony concerning the June 5, 1968, assassination.

"Is this?" replied one of his three defense attorneys, Russell E. Parsons.

"What happens now?" Sirhan asked, Parsons explained.

The trial record totaled more than 8,000 pages and contained a minute examination of the actions and motives of Sirhan before he put a bullet into the brain of Kennedy, who was campaigning for the Democratic presidential nomination.

In an effort to compile an historical record for scholars and

skeptics alike, some 200 exhibits were catalogued as evidence.

Sirhan heard the last words of testimony as he heard it first—settled in a chair at the left of the attorneys' table, beset by his lawyers, with those for the state on the other end. They faced superior Court Judge Herbert Walker, flanked behind by the flags of California and the United States.

To the right sat the jury, their backs were steel columns of supreme passivity, but will suggest only that it is appropriate if a jury agrees.

The alternative in first-degree murder is life imprisonment.

The trial's 90th and final witness was a psychologist for the state, Leonard Olmiger.
